

Creating positive change
from the grounds up.

KEURIG
COMMERCIAL

The Grounds to Grow On™ Program

K-Cup® pods can be fully repurposed into
compost and recycled materials

75%

of the pod by
weight is converted
to **COMPOST**

25%

of the pod by
weight is converted
into **RECYCLED
PRODUCTS**

Brewed pods can
be shipped back in our
recovery bins using
the **UPS carbon-neutral
program**

Contact your Keurig® Sales Representative to learn more.
