

THE KEURIG® K3000SE: This, our largest and most advanced brewing system, is packed with features. The Keurig® K3000SE is the way large businesses brew fresh beverages that they and their customers love.

KEEP IT CLEAN: K-CUP® PACK AUTO-EJECT & EASY-TO-EMPTY BIN

After brewing, each K-Cup® pack auto-ejects and drops into a convenient K-Cup® pack storage bin for later disposal. The brewer alerts you when the bin is full. A platform with a 70 K-Cup® pack bin can be added for additional, used K-Cup® pack storage.

SATISFY EVERY TASTE: FOUR BREW SIZES

Choose from four different brew sizes; 4 oz., 6 oz., 8 oz. or 10 oz. so you have the beverage you love in the quantity that you want! There's even a hot water only selection.

IT'S FOOLPROOF: EASY-TO-FOLLOW LCD INTERFACE

The K3000SE's interface walks you through the brewing process in easy-to-follow steps, in your choice of three different languages — English, Spanish or French.

FLIP AND FILL: DRIP TRAY FLIPS FOR TRAVEL MUGS

The large-capacity Drip Tray flips to accommodate travel mugs. It is designed for easy cleanup and versatility, plus it's dishwasher safe and easy to remove.

AUTOMATIC REFILLS: DIRECT-WATER-LINE PLUMBING

With the brewer directly connected to a water-line, you can brew a new beverage every 60 seconds without having to refill.

AN EYE FOR DETAILS: MUG AND K-CUP® PACK SENSORS

Can't think before your first cup? The K3000SE alerts you if there is no mug or K-Cup® pack present, so there are no spills or accidental brewing without a K-Cup® pack.

HARD WORKER: COMMERCIAL GRADE

The K3000SE is a rugged machine, built to commercial specifications and UL-approved for commercial use.

DRAIN AND STORE: DRAINABLE INTERNAL HOT WATER TANK

You can't get this from a home brewer. Only Keurig® commercial brewers offer the option to easily drain and remove water from the internal hot water tank for long-term storage.

RECOUP COSTS: A VENDING OPTION

Brew great beverages and offset some of your costs. The Keurig® K3000SE can be paired with a coin changer that takes US and Canadian coins: nickels, dimes, quarters and Canadian dollars.

Brew what you love, simply.™
