THE NEXT GENERATION IN SINGLE CUP BREWING SYSTEMS

Eccellenza[™]
touch

Revolutionizing single-cup brewing since 1965

VKI
TECHNOLOGIES
A DIVISION OF KEURIG CANADA INC.

Brew exceptional coffee and today's most popular hot specialty beverages—at the touch of a screen.

HIGH-DEFINITION EXCELLENCE

Featuring:

Intuitive User Interface

User-friendly interactive touchscreen designed with the latest market standards and trends.

Customer Experience

High-quality images to easily identify beverage and enhance customer experience.

One Touch

Select most popular beverage with one touch of the screen.

The Eccellenza Touch with its high-definition user-friendly 10.1" touchscreen, simplifies the beverage selection process, offers the freshest cup of coffee possible and a wide variety of specialty beverages—all this, ground and brewed to perfection in seconds. Great coffee for even the most discerning coffee connoisseurs.

This one of a kind, revolutionary new brewing system alleviates mess and clean up, while ensuring the convenience, consistent taste and quality for which VKI's single cup brewing systems are renowned.

Eccellenza[™]
touch

Introducing
bean-to-cup
brewing excellence

EccellenzaTM touch

The beauty of the Eccellenza Touch is its high-definition, user-friendly 10.1" touchscreen. It simplifies the beverage selection process while offering gourmet coffee and a wide variety of specialty beverages. As a bean-to-cup system, the coffee is always as fresh as can be – ground and brewed to perfection in seconds.

There is a tasty beverage for everyone...
including the most sophisticated coffee drinkers:
